Mr. Jack Joslyn  
Town of Sterling  
PO Box 157  
Oneco, CT 06373-0157

Dear First Selectman Cooper,

As one of nine municipalities within the Breezeline cable TV franchise, I want to remind you about the Cable TV Advisory Council. Connecticut State Statute 16-331 establishes cable television advisory councils. PURA Regulation Section 16-333-25 specifies that each municipality within the franchise region shall appoint members to the advisory council. Appointed members may be residents, employees or elected officials. Some municipalities have appointed their I.T. Manager. The advisory council members are active partners supporting the designated Community Access Provider programming and operations and an advisory agent for community interests in communications with the Cable Television company about policies, products, and services.

The senior elected official may appoint one member to represent Sterling. Your municipality's Board of Education may appoint one member to represent the Board of Education. If the Board of Education does not appoint a member, the senior elected official may appoint a member to represent the Board of Education. Open advisory council positions are shown at the bottom of this page. Additional information can be found at [eltownhall.com/cac](http://eltownhall.com/cac). Applicable PURA Regulations are reproduced on the back of this letter.

Additionally, we ask that your municipality's website include a link to the Cable TV Advisory Council pages (<https://eltownhall.com/government/boards-commissions/cable-tv-advisory-council/>) in the section that lists your boards and commissions and a link to the page explaining Community Access Television (<https://eltownhall.com/community/community-access-tv/>) in the section that lists information about community services available to all residents.

Sincerely,

*Michael J. Meinz*
