Re: Proposed 50 MW AC Ground Mounted Solar Photovoltaic Facility to be Located at 318 Sterling Hill Road in Plainfield, Connecticut, 0 Sugar Brook Road in Plainfield CT, and 166 Sterling Road in Sterling, CT

Dear First Selectman Joslyn:

Please be advised that this office represents Brookfield Husky Solar, LLC, a wholly-owned subsidiary of Verogy ("Brookfield Husky Solar"), who are developers of renewable energy facilities. This letter is being sent to inform you that Brookfield Husky Solar intends to develop a 50 megawatt alternating current ground-mounted solar photovoltaic system to be located on approximately 460-acres of combined parcels between Sterling Road Sterling Hill Road in Plainfield and Sterling, Connecticut and on an approximate 33-acre and 7 acre parcel on Sterling Road in Sterling, Connecticut. The project also proposes to develop a switchyard on two parcels totaling 17 acres at 0 Sugar Brook Road, Plainfield, Connecticut.

In connection with this proposed project, Brookfield Husky Solar will be filing an Application for a Certificate of Environmental Compatibility and Public Need ("Application") with the Connecticut Siting Council on or after February 13, 2026 to seek to develop its solar project at the Property. You are receiving this notice from Brookfield Husky Solar in accordance with the Siting Council's regulations, as a government official.

Once filed, a full digital copy of the Application will be provided to the Towns of Plainfield and Sterling. In addition, once filed, an electronic copy of the Application will be available on the Siting Council's website at www.ct.gov/csc. Should you have any further questions or concerns regarding this matter, please contact me at 860-424-4315 or the Connecticut Siting Council.

Sincerely,

Lee D. Hoffman
